2. Read-aloud time! Read Polar Bear's Underwear to the kids and have volunteers come up to read each page with you.
3. Distribute Mask page and allow time for kids to construct them.
4. Time to play Pin The Underwear on Bear! Be sure to cut out ahead of time so you can jump right into the game.
5. Pass out photocopies of the activity sheets for kids to enjoy together or to take home after the party, so that kids can color and complete the maze whenever they please!

POLAR BEAR HAS LOST HIS UNDERWEAR!

Help!

Can you solve this maze to help him find it?

Hooray!

Cut out along the dotted lines to create eyeholes, and a place to attach string. Then, attach by tying each end of the string to the provided holes in the mask.

Print out as many copies of this page as you have guests, for a great photo opportunity!
