

HOW TO PLAY! FLORA & FRIENDS MATCHING GAME

HOW TO PLAY

Lay the cards upside down in rows.

The youngest player goes first and turns over two cards. If the pictures match, the player gets to keep the cards and take another turn. If the pictures don't match, the player turns the cards back over, and it is the next player's turn.

Players take turns flipping the cards over and looking for matches.

The game ends when all the cards have been matched.

The player with the most matches wins!
